

Michael J. Powers

Managing Partner

For the past 13 years, Michael has been a Managing Partner and Chairman of the Executive Committee for Meridian Compensation Partners. Prior to that, he was Hewitt's practice leader for executive compensation and corporate governance consulting. Michael has over 25 years experience consulting on executive compensation design issues, including substantial experience at the board of director level. He also has significant experience with IPOs and spin-offs. Michael has testified to Congress, the SEC and the FASB on executive pay and governance issues.

Michael serves many Fortune 500 clients in the following industries: Capital Goods, Consumer Products, Food and Beverage, Health Care Equipment, Commercial Aircraft/Defense, Household Products, Packaging, Retail and Technology.

Michael is a member of the Compensation and Talent Governance Network and a frequent lecturer at national conferences and author of many articles, including in the *Equilar C-Suite* and *Directors & Boards* magazine. Michael also was recognized each of the last nine years as a member of the NACD Directorship 100, for his expertise with corporate governance matters.

Michael is an attorney and was a licensed certified public accountant. Michael has a JD and master's degree from the University of Illinois at Champaign.
