

Abby Brunks Principal

Abby has over ten years of executive compensation consulting experience. Client engagements have included developing executive compensation philosophies and strategies, executive and non-employee director compensation benchmarking, short- and long-term incentive design, severance arrangements, and corporate governance matters.

She has worked with both public and private companies, varying in size from small to large cap, and across a wide range of industries including, life sciences, consumer goods, retail, and energy.

Abby received a B.B.A. in Finance from the University of Iowa.
