

# Daniel Potter

## Senior Consultant

Dan Potter is a Senior Consultant at Meridian Compensation Partners with experience advising compensation committees and senior management on a range of executive compensation matters and other human capital related issues. His work has included designing short- and long-term incentive plans, conducting executive and board of director compensation benchmarking analyses, developing company's compensation peer groups, drafting CD&A disclosures, and managing client relationships.

Dan has partnered with clients across a broad range of industries, including financial services, manufacturing, media, pharmaceutical, retail and technology. He is a member of Meridian's financial services team and has co-authored articles on compensation and governance topics.

Dan received his MBA from NYU Stern School of Business and B.A. from Franklin & Marshall College.
